**FSV Payment Systems Officially Opens Jacksonville Customer Service Center
Takes 1st Cardholder Call at 8:00AM EST, February 5, 2007**

JACKSONVILLE, FL – February 7, 2007 – Houston TX based FSV Payment Systems, a leading provider of stored-value and prepaid debit card solutions, today announced the official opening of its Jacksonville Customer Service Center with the first cardholder phone call taken at 8:00AM EST on Monday, February 5, 2007.

FSV President and CEO Jonathan Palmer stated, “We are excited about achieving this significant milestone for our clients, our cardholders and our company. Our new in-house customer service function will help FSV in our drive to provide world-class service to our customers by responding to and solving their problems promptly, efficiently, and politely.”

Before taking the first call on February 5, FSV developed and delivered a comprehensive prepaid card training program for the company’s customer service employees. “Our employees are well-trained, knowledgeable and ready to deliver exceptional customer service to our customers. We are thrilled with the team we’ve assembled in Jacksonville, and we look forward to growing this vital part of our business” Palmer added. At the close of business on Monday, February 5, 2007, FSV’s customer service center had answered 88% of all calls received within 30 seconds or less.

By April 1, 2007 FSV plans for the Jacksonville Customer Service Center to be operating 24 hours a day, 7 days a week, with more than 40 customer service professionals handling customer calls.
